# TAB 1 PLOT EXAMPLES

Example plot showing membership function curve plot

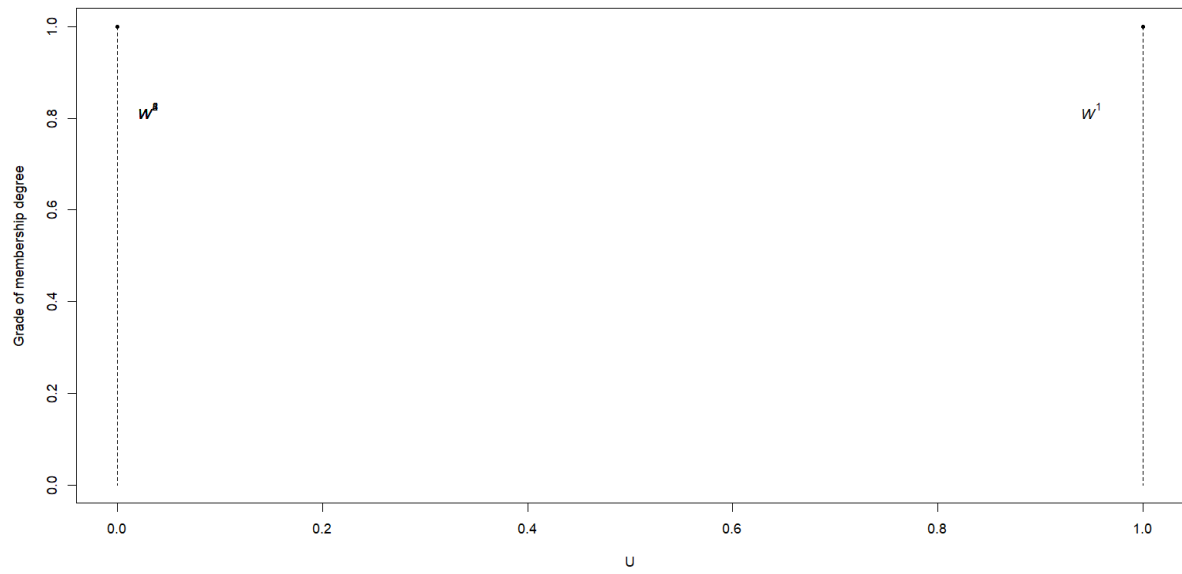

TAB 2 PLOT EXAMPLES
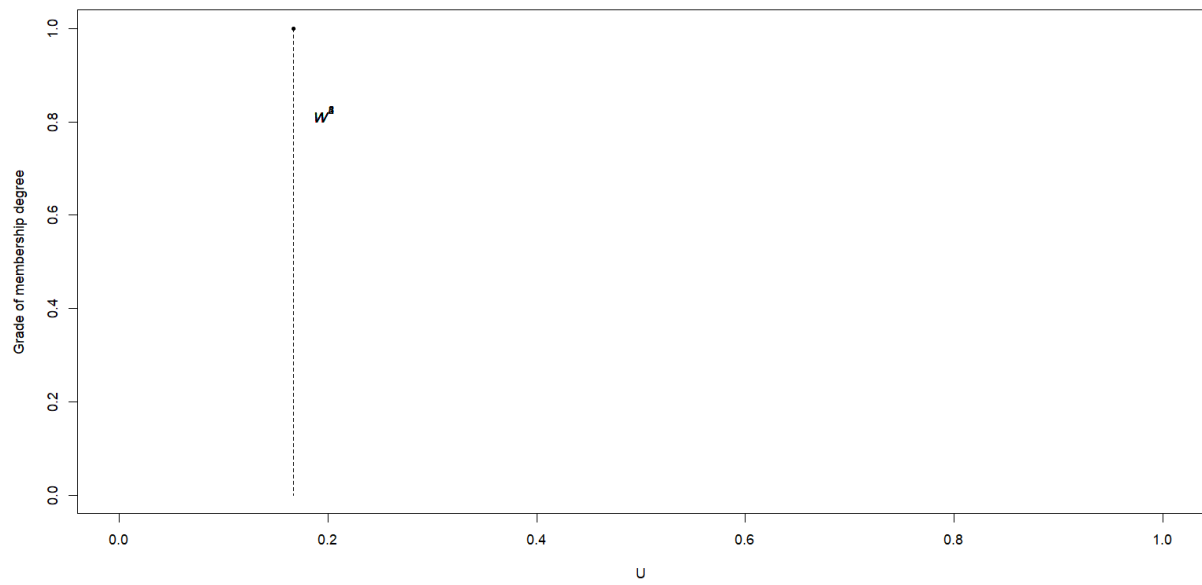

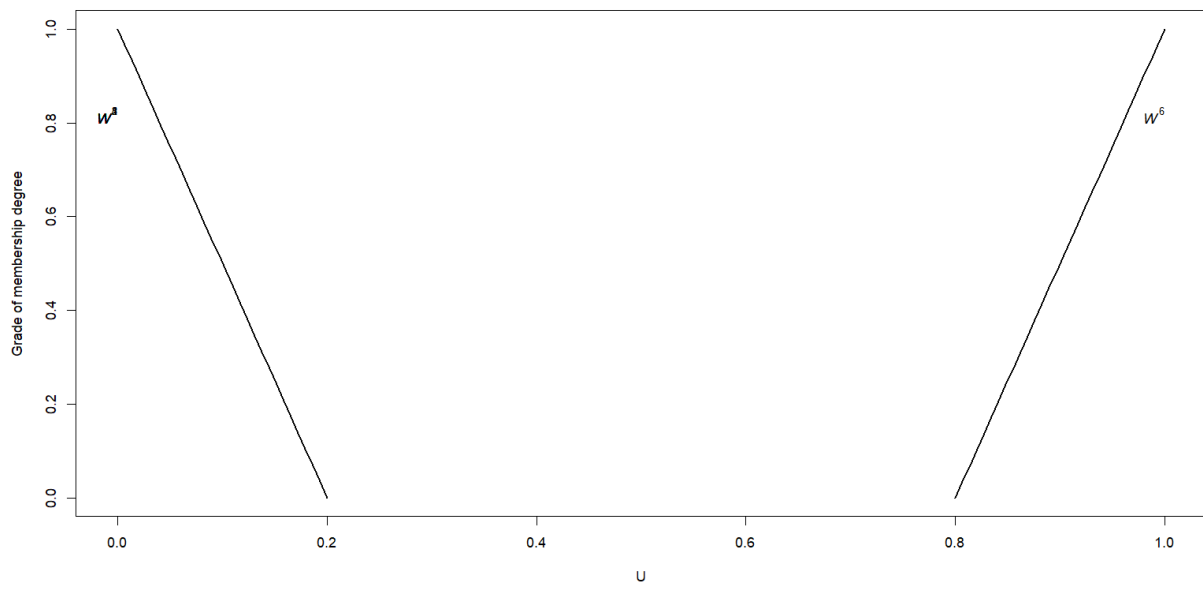

Meet singleton weight option plot

## Join singleton weight option plot

## Mean singleton weight option plot

## Meet-Like Unequal domain partition weight option plot

## Meet-Like Equal domain partition weight option plot

## Meet-Like Type-2 quantifier weight option plot

Join-Like unequal domain partition weight option plot

## Join-Like Equal domain partition weight option plot

## Average-Like Unequal domain partition weight option plot

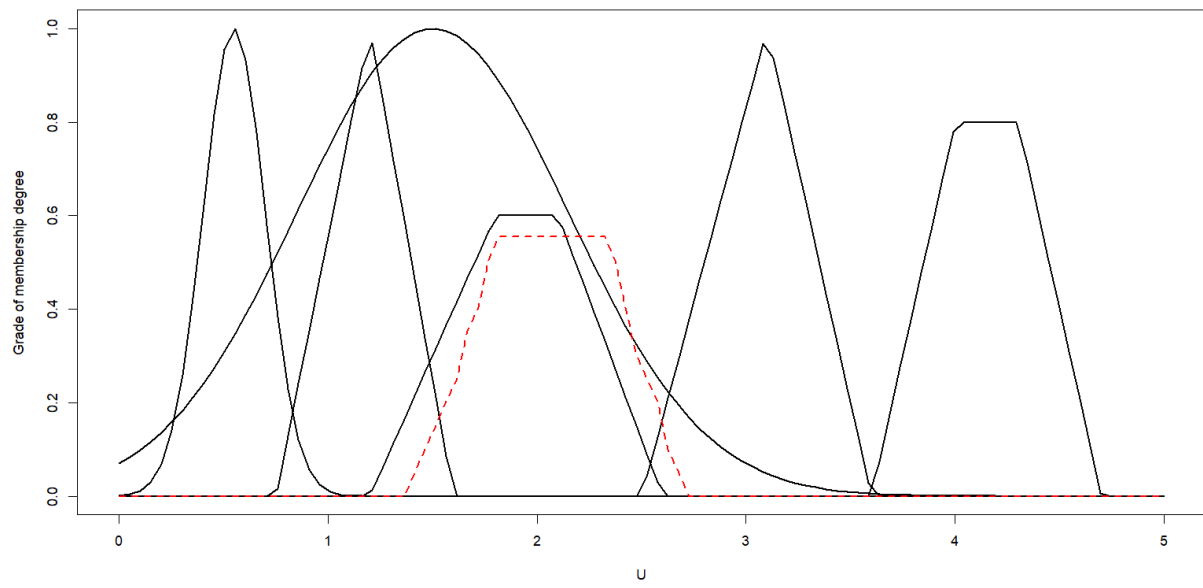

TAB 3 Plot Examples

# Meet singleton aggregation result plot

# Join singleton aggregation result plot

# Mean singleton aggregation result plot

# Meet-Like Unequal partition aggregation result plot

## Meet-like equal partition aggregation result plot

Meet-like Type-2 quantifier aggregation result plot

Join-like unequal partition aggregation result plot

Join-like equal partition aggregation result plot

Average-Like unequal partition aggregation result plot
